

DO YOU WEAR SOFT CONTACT LENSES?

This clinical research study could be right for you!

You may qualify to take part in a clinical research study to evaluate an investigational soft contact lens for daily wear.

To participate you must:

- Be **Chinese, Korean, Japanese** or **Mongolian**.
- Be at least 18 years of age.
- Have healthy eyes.
- Be a successful daily wearer of soft contact lenses in both eyes over the past 3 months for at least 8 hours/day, 5 days/week.
- Not be a wearer of daily disposable or extended wear contact.

If you qualify to participate:

- Your participation will last approximately 3 months and include 4 office visits.
- You will receive study lenses and study-related exams at no cost. Plus, you may receive compensation for your time and travel expenses.
